NETWORK's Nuns on the Bus are hitting the road again – daring to call on elected officials and candidates to "Mend the Gaps" in income and wealth inequality in our nation. We will listen to the stories of the gaps that people are experiencing in our society and provide NETWORK's proactive policy strategy that can bridge those divides.

Our goal is to bring a politics of inclusion to divided places, change the conversation to mending the vast economic and social divides in our country, and counter political incivility with our message of inclusion.
