

# FIND YOUR NEXT STEP AT NETWORK!

What is the Associate Program? The NETWORK Associate Program is an 11-month intensive educational and professional position in legislative advocacy rooted in principles of Catholic Social Justice. From August through July, Associates will immerse themselves in Washington, D.C. and all it has to offer. All associates will have the opportunity to learn about and engage in every aspect of a faith-based advocacy office, in addition to working on their individual positions.

## Your Role

Associates take on specific federal-level issues, learn about them in depth, conduct research, and create materials for NETWORK's advocacy work.

If you are assigned to our Communications Team, you will create, edit, and disseminate various media – factsheets, toolkits, talking points, backgrounders, social media, graphics, blogs, emails, webpages, and more – to effectively advocate for NETWORK's policy agenda to different audiences.

If you are assigned to our Government Relations Team, you will track our legislative efforts, represent NETWORK at lobby visits on Capitol Hill, collaborate with other teams to inform and mobilize our grassroots activists on your issues, and participate in coalition meetings to create strategy and build clout.
