

March 29, 2022

The Honorable Dick Durbin  
Chairman  
Senate Judiciary Committee  
U.S. Senate  
Washington, DC 20510

The Honorable Chuck Grassley  
Ranking Member  
Senate Judiciary Committee  
U.S. Senate  
Washington, DC 20510

Dear Chairman Durbin, Ranking Member Grassley, and Members of U.S. Senate:

I write today to share the names of **2,822** NETWORK members and advocates across the country, including **1,176** Catholic Sisters, who support the nomination of Judge Ketanji Brown Jackson to the United States Supreme Court and urge the Senate to confirm her nomination.

**Judge Jackson is a widely respected jurist who will bring a masterful command of the law along with broad legal experience including her years of service on the federal district court of D.C., the D.C. Circuit, and her formative service as a public defender.** Her nomination to the Supreme Court is a historic opportunity to honor our values and confirm a Justice who is committed to equal justice for all.

**It is long past time for Black women to have a seat on our nation's highest court.** Having Judge Jackson on the court will enrich judicial decision making, increase public trust in our courts, and move us closer to a Court that better represents the experiences of all people and families in the United States. **We urge the Senate to confirm Judge Jackson's historic nomination with bipartisan support and all deliberate speed.**

If you have any questions, please contact Minister Christian Watkins, NETWORK's Justice Systems Reform Government Relations Advocate, at [cwatkins@networklobby.org](mailto:cwatkins@networklobby.org).

Sincerely,

A handwritten signature in black ink that reads "Mary J. Novak". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Mary J. Novak, Executive Director  
NETWORK Lobby for Catholic Social Justice
