NETWORK Messaging Guidelines

- Use person-centered language; avoid “the poor” or “the homeless”
- Be specific when talking about race (don’t assume white as your audience’s default)
- Use gender-neutral pronouns
- Be specific with bill or Member of Congress
NETWORK Messaging Guidelines

- Avoid ableist or presuming language like “stand in solidarity,” “speak for/voice for voiceless,” “empower them” “least of these”
- Avoid when possible: Sisters and Brothers
- Avoid when possible: Welcome the stranger
- Avoid excessive violent language
A note on tone

- Confident and forward looking
  - Cynicism or fear = shut down
- Talk about what you’re for, not what you’re against
- Don’t use myth busting
Remember the Basics

- Speak confidently!
- Harness the power of your unique voice.
- Share stories— they are powerful.
- Answer the question you want to answer, not the question you’re necessarily asked.
- Keep it brief.
What is NETWORK?

NETWORK is a national organization of social justice advocates founded by Catholic Sisters 50 years ago to educate, organize, and lobby for social and economic transformation.
Why was NETWORK founded?

In the aftermath of the Second Vatican Council, Catholic Sisters reflected on how the people who they served in their ministries were being affected by federal policies. The name “NETWORK” reflects their vision of influencing legislation through a national network of participation.
Is NETWORK partisan?

NETWORK is a non-partisan organization that meets with Republican, Democratic, and Independent elected officials to advance issues central to our justice agenda.
What is Nuns on the Bus?

Nuns on the Bus is a campaign of NETWORK that was started in 2012. NETWORK has organized seven bus trips that traveled to 35 states focusing on different policy priorities.
Q. Do I have to be Catholic to be part of NETWORK?

**Answer:** No. NETWORK is open to all who share our passion for justice. We:

- Value women’s leadership
- Accept and appreciate people from secular and religious backgrounds
- Welcome and affirm members of the LGBTQ+ community
- Engage in the ongoing work to become a multicultural, anti-racist organization.
Additional Considerations

- Partisan political activity
- State-level politics
- Issues NETWORK doesn’t work on
What issues does NETWORK work on?

NETWORK calls for federal policies that dismantle systemic racism, eliminate the wealth and income gap, improve the well-being of our communities, and allow all people to thrive in:

1. Our Economic Security
2. Our Health Care, Housing, and Food Policies
3. Our Immigration and Justice Systems
4. Our Taxes
5. Our Democracy

Emerging from encounter, NETWORK’s Build Anew Agenda is a pathway to realizing our vision of a just and inclusive society.

“The racism, sexism, classism, and white supremacy in the U.S. political system has been present since its founding, and there is no way to achieve justice without building a new foundation for a political system, economy, and society that intentionally includes everyone... We call for federal policies that dismantle systemic racism, eliminate the wealth and income gap, improve the well-being of our communities, and allow all people to thrive.”

Catholic Social Justice Principles

- Uphold the dignity of each person as an equally valuable member of the human family
- Embrace our right and responsibility to participate with others in our shared public life
- Be in solidarity with those experiencing poverty in the struggle against structures of injustice
- Bridge divisions, rising above individual interest for the good of the whole community
- Unite with workers to build an economy that puts people, not profit, at the center
- Nurture the earth, recognizing that we are interdependent with the rest of God’s creation
Multi-Issue Voter Messaging

I am a multi-issue voter who ...

We need moral leadership from candidates who will pass policies that advance racial equity and economic justice.

Pope Francis urges us not to ignore injustice or act as though one issue is more important than others. Instead, Pope Francis calls us to prioritize the sins of racism, economic inequality, xenophobia, and more.

I encourage fellow people of faith to listen to their conscience and elect candidates who bring us closer to a truly representative, inclusive, multi-racial democracy that works for all of us.
